

I am Dani Burns, a Co-opted Governor with a focus on Quality of Education. I love being a teacher and have worked in education for the past eighteen years. I have worked in Bradford and Calderdale, holding the posts of Curriculum Leader for Languages, Advanced Skills Teacher and Specialist Leader in Education. I am currently Assistant Headteacher at an all-through school.

Outside of work I am a mum to three wonderful boys. We love nothing more than family holidays by the sea and being outdoors.
