

My name is Rebecca Hanson, one of the Parent Governors at Hoyle Court Primary and a parent to two happy boys who attend the school. I work in a Bradford Primary School, which I joined during the Pandemic in 2020 after 18 years of Business Management for Primary Care within the National Health Service.

I am passionate about Hoyle Court being a healthy and nurturing environment full of rich learning experiences, with teachers and leaders who care about our children and the progress they are making.

At home we enjoy long family dog walks and exploring nature!
