

SCIENCE SELFIE COMPETITION

British Science Week 2024 – 8th–17th March

Calling all scientists! This year to celebrate British Science Week we are having a **science selfie competition**.

We would love to see some selfies of you doing something scientific at home. It could be anything at all, here are some examples: planting some seeds, a mini beast hunt, dropping mentos in coke or making some slime!

Once you have taken a photo of you being a **scientist**, send it to Mr Greethams email address p.greetham@hoylecourt.bradford.sch.uk and briefly explain what science you have been doing or what you have learnt.

Entries need to be in by Friday 15th March.

Prizes will be presented during Mondays celebration assembly

15th March
